

Invitation to Housewarming

Dandiag warmly invites you to a unique event where we celebrate multiple milestones on the same day!

We are inaugurating our new headquarters with an open house, where you can experience the new, modern Dandiag. Enjoy snacks and refreshments while taking part in exciting activities, presentations, and competitions.

Throughout the day, you can look forward to:

- A presentation on the 4-day workweek by CEO Charlotte Rugaard
- A talk on sustainability by Sartorius
- Live demonstrations of equipment, including automation

From 3:00 PM to 5:00 PM, we will also be celebrating our owner Bente's 30-year anniversary, marking the occasion with a toast.

Registration is required – sign up below. Join us in celebrating Dandiag's past, future, and everything we have to offer. We look forward to welcoming you to a day filled with inspiration, networking, and celebration!
